Policy for Spelling in Primary.

Spellings are an essential part of your child's learning. Spellings will be given to your child once a week.

Years 1 and 2 use high frequency spelling words as well as cvc words and sight words. They are tested every Monday and homework given is on a Monday is spelling homework.

Years 3-6 use the words taken from the National Literacy Strategy spelling bank. Your child is given 20 spellings to learn, their homework will be to find definitions as well as write a sentence using the spelling word and to write the spelling word three times by using the strategy look, cover, write and check.

It is important for your child to use the words they have learnt in their literacy work. You must as a parent help your child to learn their weekly spellings by testing them and making sure they know the spelling rules.
